Some of our women

27 years old pharmacist

She is a 27 years old pharmacist. Many years ago, she moved to Australia with her family. She loves the culture, the society and environment.

She is a cute young lady, cheeky, enthusiastic, smart, yet very gentle and polite. The best thing she likes is travelling. Having been to many different countries and places, she appreciates the diversity of culture, people and food.

If you like to know more about her, please contact us: eva@metropersonal.com.au; or 0433560668

29 years Thai lady

She is a 29 years old Thai lady, living and working in Sydney. Her beautiful smile and cheerful nature always make people easy to talk with her.

She likes to keep life active, interested in all outdoor activities, cooking, travelling, meeting friends, etc.

Not just having a pretty face, she is also a smart woman, good common, quick to learn new things and fun to be with.

If you like to know more about her, please contact us: eva@metropersonal.com.au; or 0433560668

Some of our women

A pretty business woman

She is tall, slim and stylish. No one would ever guess she is 47 years old, because she looks and acts young.

For many years, she established a retail business, which provides financial independence.

Friends like her because she is approachable. She is open, happy and generous. She loves fashion, fine dining, travelling, etc.

If you like to know more about her, please contact us: eva@metropersonal.com.au; or 0433560668

A gorgeous professional woman

She just reached to 40, but never looks, behaves, or thinks like 40. People just love her big smile and passion for life.

She has a good career in financial sector. She also has a beautiful life and lot of friends. She loves sports, out-door activities, music, country drive, etc. Her curiosity will drive her to try anything.

She likes to meet an interesting man who is also passionate, smart, interesting to talk to, yet humble and friendly.

If you like to know more about her, please contact us: eva@metropersonal.com.au; 0433560668
