What women are like

Men always say they can't understand women. They find women are unpredictable.

Here are something guys may want to know:

- 1. Women like the attention from men, no matter it is at home, or social environment;**
- 2. Women loves to hear smooth talking. Their heart can easily open by praises and promises.;**
- 3. Women feel much easier to talk about emotion, love, relationship and family;**
- 4. Women respect men with confidence. Men's intelligence and confidence bring mental security to women;**
- 5. Women's emotional securities are from: being loyal to them; being caring about them;**
- 6. Women always have the motherly nature to look after and criticize men;**
- 7. Women are easily driven by emotion. The emotional satisfaction is crucial for them to fall in love**
- 8. Women are more romantic than men. Most women like love stories. Most women like to be treated like princess;**
- 9. Women like the network support. Outside marriage, or relationship, most women have own network, which supports their emotion and influences their decision;**
- 10. Women can fall in and out of love much quicker than men.**
